

## **EXHIBIT 11**

2. At the request of counsel for the SEC, I prepared documents marked as Exhibits A through D, which are daily summaries of all purchases and sales in each Caledonian account that traded in the four securities as described in the February 6, 2015

SEC civil enforcement action – Swingplane Ventures, Inc., Goff Corp., Norstra Energy Inc. and Xumanii, Inc. Exhibits A through D are more detailed daily summaries of SEC Exhibits 1 through 4 that I prepared in connection with my previous declaration, which summarize purchases and sales for the whole review period.

3. In preparing these exhibits, I reviewed account statements and other documents produced to the SEC pertaining to brokerage accounts in the name of Caledonian. I used trade dates to prepare the daily summaries, although in some cases the account statements only show settlement dates. These account statements have previously been marked as Exhibits 5 through 18 to my earlier declaration.

I declare under penalty of perjury  
that the foregoing is true and correct.  
Executed on February 8, 2016.
